TERMS & CONDITIONS POLICY: LOCAL INSTALLATION

Thank you for your business and purchase. Please read the instructions below carefully before you agree to exchange your wheels at our facility.

1. Please be advised that the stock wheels on your car have to be the (same size, design) with the chrome you receive.
2. Previously chromed wheels are unacceptable for exchange.
3. Your original wheels must not have any severe accident damage, flat spots, curb scraping (missing alloy), or lip damage. During the installation, our technician will check your original wheels on a spin balancer to make sure they are true (no lateral up-and-down or side-to-side movement or **CRACKS** esp. on the back of the rims). We will check all **YOUR RIMS, EVEN IF YOU THINK THEY ARE PERFECT**. Although, if you do have repairable damages, we can perform the repairs. Repairs are from \$65-\$95 each, we will **NOT accept wheels that have cracks**.
4. After installation is completed, **THERE WILL BE NO RETURNS**.

I agree to all the terms and conditions stated above:
